

Cures Talk

"Cures talk" in favor of Hood's Sarsaparilla, as for no other medicine. Its great cures recorded in truthful, convincing language of grateful men and women, constitute its most effective advertising. Many of these cures are marvelous. They have won the confidence of the people; have given Hood's Sarsaparilla the largest sales in the world, and have made necessary for its manufacture the greatest laboratory on earth. Hood's Sarsaparilla is known by the cures it has made—cures of scrofula, salt rheum and eczema, cures of rheumatism, neuralgia and weak nerves, cures of dyspepsia, liver and kidney troubles, catarrh and malaria.

Such Cures as This Prove Merit.

"My little nephew was a plump and healthy baby until a year and a half old, then sores broke out behind his ears and spread rapidly over his head, hands and body. A physician said the trouble was scrofula humor in the blood. The child became one complete sore. We had to restrain his hands to keep him from scratching the sores. We were induced to try Hood's Sarsaparilla, and in a short time he had more life. He improved rapidly, his skin became entirely clear of sores and he is now a healthy child." MRS. FLORENCE ANDREWS, Clearfield, Iowa.

Hawaiian Electric Company.

The cleanest, brightest safest and really, in the long run, the cheapest and best light for use in the family residence, is the incandescent electric light. Safe; nothing could be safer. A few days ago a prominent gentleman of Honolulu came rushing down to the office of the Electric Company and said: "Give me figures for wiring my house, and I want it done at once; no more lamps for me. Last night a lamp tipped over and it came so near setting fire to the house and burning my children and I take no more risks." This is the sentiment of quite a number in the past few weeks, who have ordered their houses fitted with the perfect light. Just think it over and make up your mind that you want the best and safest light; send for the Hawaiian Electric Company and tell them what you want. We have a complete stock of everything in this line and have just received a lot of the very latest designs in chandeliers.

TWO BOATS IN COURT

SCHOONER MAHIMAH AND THE YACHT SPRAY.

A Libel Is Dismissed—Recalling a Wailua Wreck—Master Capable—Curtis Is a Plaintiff.

The suit of Pat Curtis against Dr. Underwood and J. K. Sheridan for undisputed possession of the yacht Spray will be heard in Chambers next Wednesday. A. S. Humphreys for plaintiff; Creighton & Correa for defendants.

In the matter of Queen Dowager Kapulani vs. L. K. Puahi (W.), bill for accounting, defendant has noted exceptions to the ruling of the court overruling demurrer and has appealed the cause to the Supreme Court. Appeal has been allowed by Judge Carter.

Judge Carter has filed a decision in the case of John F. Bowler vs. L. Ahlo, libel for damages on account of the wreck of the schooner Mahimahi, in which the said libel is dismissed. It appears that plaintiff chartered the Mahimahi to one Ho Pai Yet for six months from June 15, 1894, for the sum of \$125 per month, the owner to have the right of choosing and placing a master in command. Ahlo signed the charter, guaranteeing the payment of the rental and the faithful performance of all conditions by the charterer.

After using a master of the owner's choosing for a time the charterer requested permission to place in command a master of his own choice, which request was granted by the owner. On November 14, 1894, the vessel went ashore off Wailua and was lost. The court finds that the accident was not caused by carelessness of the master; that the charterer had faithfully complied with all conditions; and that plaintiff has no claim for damages on account of the loss of his schooner.

Mrs. S. A. Kell, of Pomona, Cal., had the bad luck to sprain her ankle. "I tried several liniments," she says, "but was not cured until I used Chamberlain's Pain Balm. That remedy cured me and I take pleasure in recommending it and testifying to its efficacy." This medicine is also of great value for rheumatism, lame back pains in the chest, pleurisy and all deep-seated and muscular pains. For sale by all druggists and dealers. Steamers Come and Go

And it is a rare occurrence when they do not bring new shipments for L. B. Kerr. Scarcely a month passes but what some new line is added to his already large and varied stock. The latest addition is a corset department, and it goes without saying that the values to be found there eclipse all previous attempts. Ladies should take a look at the celebrated French Wove Corsets now being introduced.

So novel is this departure from the present style of plowing, that we have approached it with some caution. After giving exhaustive trials, experiments and adjustments, we have arrived at the point of placing it upon the market with our unqualified endorsement and warranty. We believe it the greatest improvement in plows yet made since the day of the forked stick, and invite the attention of the advanced planters.
